GO BEYOND FIRST CLASS

At Qatar Executive, we offer an unparalleled level of luxury and comfort designed to deliver an exclusive travel experience across the globe. We take care of all your business requirements and ensure that our personal service and world-class hospitality is exemplary throughout your journey.

Welcome to a world where you define how you travel.

EXTRAORDINARY SERVICE EXCELLENCE

Qatar Executive brings you the best of both worlds, offering the exclusivity and discretion of a private jet with the global expertise and proven track record of an award-winning airline. Our chartered services are tailored exactly to your individual needs, led by our dedicated, experienced and highly-skilled cabin crew.

No matter where you want to go in the world, we can fly you there in absolute comfort and speed.

What we do to ensure our clients' satisfaction:

- Hotel reservation facility for passengers
- Limousine reservations for passengers
- Customs, immigration and special branch liaison
- VVIP catering tailored to your personal liking
- Swift, efficient and discreet passenger handling in and out of airports
- Unique World Class amenity kit during flight
- Wi-fi access and satellite phone
- World Class entertainment system
- We fly you quicker to your destination than any other jet

CONDUCT BUSINESS IN THE SKIES

Fly in your own fully equipped, luxurious office and stay fully connected. You can send and receive emails, receive real-time market updates, make calls and conduct business efficiently while enjoying complete privacy and confidentiality in the skies.

Fly direct to your meeting and be back home within the day. We know how valuable your time is, so we get you to your destination in the quickest and most comfortable way possible.

MAKE YOURSELF AT HOME

Qatar Executive is also ideal for exclusive leisure travel. Imagine having your own personal space in the sky to enjoy with friends and family. When you fly with Qatar Executive, you have the flexibility to choose your own schedule and on-board experience - enjoying luxury and privacy whilst travelling on the finest and fastest aircraft.

INDULGE IN OUR LUXURIOUS CABIN

We pay meticulous attention to every aspect of your Qatar Executive on-board experience. We offer discrete yet attentive service along with a gourmet menu of the finest cuisine. Our fleet is luxuriously furnished with every detail tailored to your comfort. With spacious bedrooms and bathrooms and the latest in entertainment technology, every feature has been carefully designed to ensure you have the ultimate travel experience.

RECOGNISING YOUR SAFETY AND SECURITY

We maintain the highest standards of aviation safety and security. Our professionals are chosen for their extensive business jet experience, while undergoing the same initial and recurrent training regime as the Qatar Airways workforce. Our in-house maintenance programme ensures that all of our aircraft are continuously monitored and maintained for your safety and security.

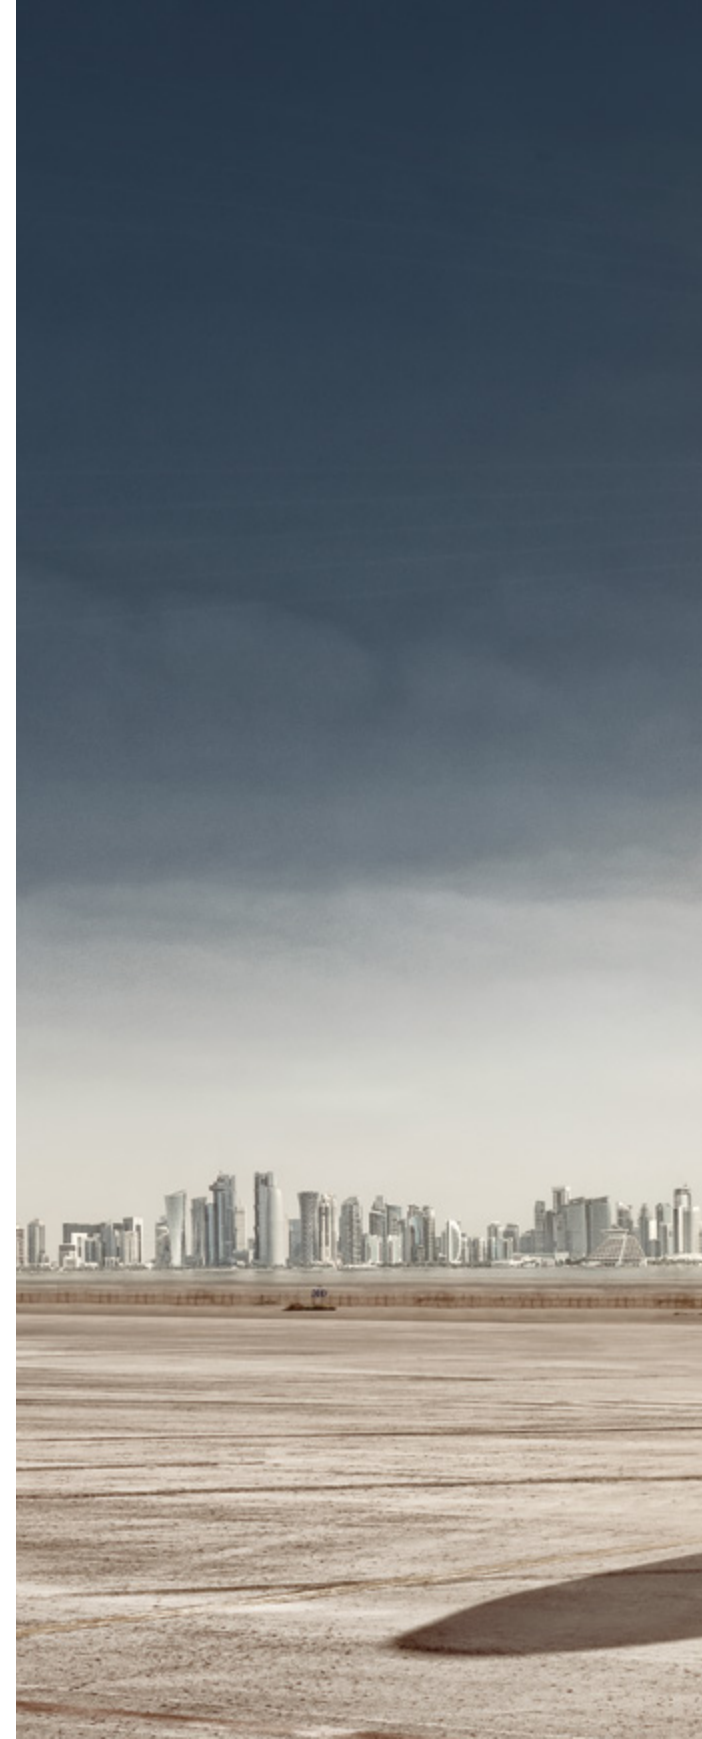

SEAMLESS HOSPITALITY FOR YOUR JOURNEY

Every time you board a Qatar Executive aircraft, you will always be welcomed by cabin crew that are highly trained in private aviation to deliver an exemplary service on a one-to-one basis. Our experienced cabin crew are dedicated to ensuring that your journey in the sky is like no other.

STATE-OF-THE-ART FLEET

Qatar Executive offers modern aircraft with phenomenal range capabilities, industry-leading cabin technology, and unparalleled passenger comfort. We have the ability to arrange charters from small business jets to large wide-bodied aircraft to meet the full spectrum of our clients' needs. No matter how long the journey, or how short the timeline, you will reach your destination on board the best and fastest private jet aircraft in the world.
